

Village of Goodrich

- Intended for residents located in The Village of Goodrich

How will this system work . . . ?

Republic Services has provided each household with a 96-gallon curb cart that has the capacity of (3) 32-gallon trashcans. On your collection day, simply place your Cart at the curb with the handle facing your house. Make sure you have a minimum distance of four feet away from other objects such as mailboxes, parked cars, and even your bulky item. Republic Services new automated collection truck will then pick up the Cart, empty it, and return it to its original location. It's that simple!

Solid Waste Collection . . .

Curb Carts should be placed at the curb **NO LATER than 6:00 AM** on your collection day. If you have more waste than what your cart can handle, please bag it, place **NEXT TO** the cart, **NOT ON TOP** of the cart, so the driver can easily empty the cart, then refill it with the other bag and empty again. Generate more than the contents of one cart? Need another cart? Call Republic Services Customer Service for details.

Cart Care . . .

With the right care your Cart will last for many years without needing maintenance. Please use trash bags to contain your waste inside the Cart. This will reduce periodic cleanings for the Cart. Your Cart has smooth surfaces that allow it to be easily cleaned with a regular garden hose and dishwashing soap. Do not place hot ashes, construction debris, and/or hazardous waste in the Cart. Please do not paint or write on the Cart. Each Cart is labeled with a serial number. Residents should take note of the serial number of their specific Cart. If it is lost or stolen, please provide this number to the police then provide a copy of the police report to Republic and they will provide you a replacement at no additional charge.

Moving . . .

If you move, do not take the cart with you. The cart has been assigned to the property address along with the serial number and should be available for the next occupant/owner of the household.

Prohibited Items . . .

Items prohibited are: large quantities of dirt, sod or rock, hazardous waste of any kind, liquids of any kind including paint, flammable materials such as oil, or gas, concrete, hot ashes; yard waste of any kind, large amounts of remodeling or demolition materials, whole tires or any other material to be determined as prohibited by State Statute.

Bulky Item Collection . . .

One (1) large item may be placed curbside each week for collection. Bulky Items shall be bundled in parcels not to exceed two (2) foot by four (4) feet in length and/or fifty (50) pounds in weight. We respectfully request that you call Republic's offices at least 24 hours in advance so that the appropriate equipment can be dispatched.

Holidays . . .

When a holiday falls on a weekday, there will be no collections on that day, and the rest of that week's refuse and recycling and collection will be one day later than usual. Holidays observed:
Christmas Day, New Years, Memorial Day
Independence Day, Labor Day
Thanksgiving

Inclement Weather . . .

In the event that Republic is unable to provide service due to inclement weather, collection will take place the next day following the scheduled collection day, or as soon as weather conditions allow. All other collections for the week remaining shall also be delayed by one day. The Village will immediately be notified should service be interrupted due to bad weather conditions. Please feel free to contact Republic if you have any questions regarding service during inclement weather.

Recycling . . .

Recycling will remain on the same day as your solid waste collection; just continue to us your 18 gallon bin as always. See the calendar on the back side of this form.

The materials collected are:

News papers, office paper, corrugated cardboard and magazines plastics jugs/bottles #1 and #2, household plastic #3 through #7 tin and aluminum containers and clear glass, kitchen cookware and plastic bags

POSITIVELY NO motor oil containers or Styrofoam .

Yard Waste...

The recommended way to dispose of your grass, eaves and other yard waste is to mulch them. If the is not an option, Republic will collect properly prepared yard waste once per week April-November on your normal collection day. Place your yard waste into biodegradable Kraft paper bags or placed loosely in a container no larger than 32 gallons clearly marked "Yard Waste". Twigs and brush must be tied and bundled not more than 4 feet in length, 2 inches in diameter.
